*Comfort-King™ Agility is the ideal dog sport matting solution for trainers seeking durability with safe and cushioned landings!*

- Extra bounce reduces stress on dogs joints and stimulates muscles and blood flow
- Provides excellent traction significantly reducing and usually eliminating pad burns
- Greater softness reduces impact of dogs forelegs, shoulders and back
- Maximum comfort for handlers with reduced stress on legs and back
- Sure footed take offs and superior traction in between obstacles

*Tuff Spun® Flyball is the only dog sport matting product designed for Flyball. Mat edges are 30% stronger to better withstand frequent taping*

- Preferred matting for tournaments where mats are moved frequently and taped
- Protects dogs by reducing stress to paws, hips and knee joints
- Provides positive footing
